Still

Frankie J

I got a call late last night
From a number I didn't know
It was so strange, I knew who it was
From the moment she said hello
And I paused for a minute
I couldn't believe it
I kept my cool so my girl just wouldn't see
She said, "I'm sorry
But there's something you should know"
(This is what she said to me)
"I can't let you go
No, I can't let you go"
(She said)
"I'm havin' such a hard time"
(Then I heard)
"I can't let you go
I just can't let you go"
(And then she said)
"I think I'm losin' my mind?
?'Cause I still love you
This I must confess
I guess I still need you
I feel I have to tell you this again?
?Yes, I still want you
Oh these words I did not plan
So if I've interrupted anything
I promise I won't call you again"
So I told her my heart felt
The same that it did before
It's never changed
My feelings never went away, girl
My heart never closed the door
Then I stopped for a minute
Gotta think about my lady
And what we have goin' on
She's about to have my baby
Girl, you waited much too long
I gotta let you go
I'm hangin' up the phone

This conversation can't go on no more
I gotta let you go
'Cause if I don't let you go
I fear that I met let you know
'Cause I still love you
This I must confess
I guess I still need you
I feel I have to tell you this again
Yes, I still want you
Oh, these words I did not plan
So if I've interrupted anything
I promise I won't call you again
Now I'm doin' just fine with my girl
Not about to let her go
Just because you find me once again
It doesn't mean you're comin' back home
Now it's been about 2 years or so
Since we went our separate ways
You gotta face the fact
We're over with and done 'cause I
'Cause I still love you
This I must confess
I guess I still need you
I feel I have to tell you this again
Yes, I still want you
Oh, these words I did not plan
So if I've interrupted anything
I promise I won't call you again
'Cause I still love you
I guess I still need you
Yes, I still want you
So if I've interrupted anything
I promise I won't call you again
I promise I won't call you ever again
