Cheek to Cheek

Eva Cassidy

Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together dancing cheek to cheekOh, heaven, I'm in heaven
And the cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing cheek to cheekOh, I'd love to go out fishing
In an ocean or a creek
But it wouldn't thrill me half as much as
Dancing cheek to cheekOh, I'd love to climb a mountain
And reach the highest peak
But it wouldn't thrill me half as much as
Dancing cheek to cheekWon't you come and dance with me?
I want my arms about you
The charms about you
Will carry me throughTo heaven, I'm in heaven
The cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
When we're out together dancing cheek to cheekWon't you come and dance with me?
I want my arms about you
The charms about you
Will carry me throughTo heaven, I'm in heaven
And the cares that hung around me through the week
Seem to vanish like a gambler's lucky streak
Oh, when we're out together, out together
When we're out together dancing cheek to cheek
