Hands Off

Paul Spencer

So what if doing something real bad is the only way to get it
So what if its a bad idea, later I'll regret it.
I'll take whatever comes with doing what I want when I want it
And hope whatever comes doesn't know I sting like a hornet..
I'm about to do something that
I don't wanna do
Ready to do anything
To make this clear to you
You better get your hands off
Before you get them both cut off
Make the wrong move
And get your lights put out
Get your hands off
Before you get them both cut off
Make the wrong move
And get your lights put out
I know what your thinking, I know what you're sayin
I know that you're hoping that I am, but I ain't playin
I'll do what I gotta do just to keep me movin
And hope whatever does what its gonna wont see me comin..
You ain't takin the only thing
That I earned to keep
You ain't takin the only thing

Keeping me asleep
You better get your hands off
Before you get them both cut off
Make the wrong move
And get your lights put out
Get your hands off
Before you get them both cut off
Make the wrong move
And get your lights put out
Get your hands off
Before you lose them both for good
Hands off
Get your hands off
Before you lose them both for good
You better get your hands off

Before you get them both cut off
Make the wrong move
And get your lights put out
Get your hands off
Before you get them both cut off
Make the wrong move
And get your lights put out
