Bad Habits

The Last Shadow Puppets

[Miles Kane]
Bad habits
Sick puppy
Thigh high
Knee deepDo you wanna hold hands?
Should we go back down?
She wanna slow dance?[Miles Kane & Alex Turner]
Should've known, little girl that you'd do me wrong
Should've known by the way you were showing off[Miles Kane]
Bad habits
Bad habitsDeep trouble
Red lollipop
Pale faces
Oh right
DeliciousDo you wanna hold hands?
Should we get back down?
She wanna slow dance?Bad habits
Bad habits[Alex Turner]
There's a black infinity parked outside blocking somebody in[Miles Kane & Alex Turner]
Should've known, little girl that you'd do me wrong
Should've known by the way you were showing off[Miles Kane]
Bad habits
Bad habits
