It's So Easy

Death Proof Soundtrack

{You need it}
I see your sister in her Sunday dress
She's out to please
She pouts her best
She's out to take
No need to try
She's ready to make
It's so easy, easy
Everybody's tryin' to please me, baby
It's so easy, easy
Everybody's tryin' to please me
Cars are crashin' every night
I drink and drive everything's in sight
I make the fire
But I miss the firefight
I hit the bull's eye every night
It's so easy, easy
Everybody's tryin' to please me, baby
It's so easy, easy
Everybody's tryin' to please me
So easy
Nothin' seems to please me
It all fits so right
When I fade into the night
See me hit you
You fall down
I see you standin' out
You think you're so cool
Why don't you just
Fuck off
Yea, get nothin' for nothin'
If that's what ya do
Turn around bitch, I got a use for you
Besides you ain't got nothin' better to do
And I'm bored
It's so easy, easy
Everybody's tryin' to please me, baby
It's so easy, easy
Everybody's tryin' to please me

So easy
Nothin' seems to please me
It all fits so right
When I fade into the night
So come with me
Don't ask me where 'cause I don't know
I'll try to please you
I ain't got no money but it goes to show
It's so easy
So fuckin' easy
It's so easy
So fuckin' easy
It's so easy
So fuckin' easy
It's so easy
(It's so easy)
So it's so easy
It's so easy
So fuckin' easy
It's so easy
Yea
