I'm Not Perfect (Feat. Anthony Hamilton)

J Moss

I'm.....
Anybody ever been here...
I just want to take a lil time and speak my peace(J. Moss)
Everyday is a mad race movin at a fast pace...ya'll
Never seem to get a break never seem to get a way..Naw
If it ain't working hard its being a dad or mom...
I'll be the first to admit of neglecting the relationship,...With God(Not talking to u)
With God(Not spending time with u)
With God(Like I should forgive me I'll do better)Chorus
I'm Not Perfect but I'm trying
(when u needed me there were a few times I did not come running)
I'm Not Perfect but I'm working
(when u wanted more I would give u less and Lord I'm sorry)
I'm Not Perfect but I'm getting closer the more that I know u
(Please give me another chance)
I'm Not Perfect but I'm better than I was on yesterday(Anthony Hamilton)Everytime I think about the times u bail me out God
(You've been so good to me)
Just want to scream and shout
If it ain't a conference call or playing basketball
I may forget to pray its been part of my dayWith God(for not talking to u)
With God(never saying thank u)
With God(Like I should forgive me I'll do better)Chorus
I'm Not Perfect but I'm trying
(when u needed me there were a few times I did not come running)
I'm Not Perfect but I'm working
(when u wanted more I would give u less and Lord I'm sorry)
I'm Not Perfect but I'm getting closer the more that I know u
(Please give me another chance)
I'm Not Perfect but I'm better than I was on yesterdayChorus
I'm Not Perfect but I'm trying
(when u needed me there were a few times I didn't come running)
I'm Not Perfect but I'm working
(when u wanted more I would give u less and Lord I'm sorry)Vamp
I'm Not Perfect
(Ur the one I love the most)
So how can I
(Forget to say I love u)
Always....

(How u look beyond my pride inside and blessed me) Anyway....(u loved me)
I'm Not Perfect
(u gave ur life for me)
So how can I....
(act like I don't hear u) Always...
(Let me come back to u)
Anyway...
(forgive me)
(Lord I'll never never turn my back on you again)Chorus
I'm Not Perfect but I'm trying
(when u needed me there were a few times I didn't come running)
I'm Not Perfect but I'm working
(when u wanted more I would give u less and Lord I'm sorry)
I'm Not Perfect but I'm getting closer the more that I know u
(Please give me another chance)
I'm Not Perfect but I'm better than I was on yesterday
