Lonely Island

The Secret Sisters

I'm living on a lonely island
And I love this ocean full of misery
I'll die here, on my lonely island
Unless you give back your sweet love back to meI can't seem to take it
I'm blue as I can be
I'm blind to any other lovers' charmI know I can make it
Without your love for me
I've got to have you back
Here in my armsI'm living on a lonely island
And I love this ocean full of misery
I'll die here, on my lonely island
Unless you give your sweet love back to me
