It's All Right!

Steve Winwood

Say, it's all right, (it's all right)
Say, it's all right, (it's all right)
It's all right, have a good time,
'Cos it's all right, whoa it's all rightWe're gonna move it slow when lights are low
When you move it slow?
'Cos it's all right, whoa it's all rightNow listen to the beat and tap your feet
You got soul, everybody knows
That it's all right, whoa it's all right
When you wake up early in the morning
Feeling sad like so many of us do
Have a little soul?
But surely someone's got to come to youMmmmmm (It's all right)
Say, it's all right, (it's all right)
It's all right, have a good time,
'Cos it's all right, whoa it's all rightEverybody clap your hands, give yourself a chance
You got soul, everybody knows
That it's all right, whoa it's all rightOne day I found me a woman and she loved and treated me nice
When my? from morning to the night
Mmmmmm (It's all right)
Say, it's all right, (it's all right)
It's all right, have a good time,
'Cos it's all right, whoa it's all rightEverybody clap your hands, give yourself a chance
You got soul, everybody knows
That it's all right, whoa it's all right
