Let 'em Know

Coco Jones

You came outta nowhere
Yeah, Yeah you hit me like a hammer
Didn't know what was coming next
Bet you didn't notice
Yeah you said I was pretty but you thought I was made of glass
Oh baby..
I ain't used to telling anyone the way I feel
Sometimes you just gotta let 'em know, ay what's the deal..
If I want you
I'll let you know
You want the truth
I'll let you know
And if I'm liking what I see
Then I might let you next to me
I need you
I'll let ya know
F'im in the mood
I'll let ya know
So ladies go hang up your halos
Sometimes you just gotta let 'em know
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo
Ay yo ayo yo
Ay yo ayo yo
Ay yo ayo yo
Ay ay ay ay yo
What ya doing to me
It's like you're stuck in my head
And I don't want to press rewind
Oooo got me in so deep
Boy I ain't gonna lie
Never stoppin until i make you mine
Oooooo woah hey
Baby i ain't used to just tellin anybody the way i feel
Oooooo
Sometimes you just gotta let'm know
Ay what's the deal(Chorus)If i want you

I let you know
You want the truth
I let you know
And if i' liking what see then
I might let you next to me
I need you
I let you know
If i'm in the mood
I let you know
So ladies go hang up your halos
Sometimes you just gotta let em know
Ayo Ayo oh
Ayo Ayo oh
Ayo Ayo oh
Ayo oh oh oooh
Yeah ladies if you hear me
and you wanna tell somebody
let me hear you say
Ayo Ayo Ayo Ayo (2x)
