Underwater

Delerium

Something fearless in your eyes
Something careless about your smile
Shed your armor, spin your web
Hypnotize me with the longest stareFingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over againFingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over againSomething fearless in your eyes
Something careless about your smile
Shed your armor, spin your web
Hypnotize me with the longest stareWe're flesh and bone together and alone
And we're looking for a homeFingertips so gently on my skin
I'm underwater I feel the flood begin
I'm underwater, I'm underwater
I'm underwater, I'm underwater
I'm underwater, I'm underwaterFingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over again
