

Self Conscious Over You

The Outcasts

First time I saw you walking down the street
Knew I had a crush on you right away
It's really embarrassing at school
when the teacher ask me what I'm doing
And I am dreaming of you

And my mother's always nagging at me
Why don't you finish you tea
But I'm always dreaming of you

So what'll I do, do do
I'm self conscious over
So what'll I do, do do
I'm self conscious over
So what'll I do, do do
I'm self conscious over
You you you
Only you
You you you
Only you you
So what'll I do do do
I'm self conscious over you

When I see her everyday on the bus
and I dream of asking her out
But I turn red
Sweat dripping down my face
I'm feeling such a freak

So what'll I do, do do
I'm self conscious over
So what'll I do, do do
I'm self conscious over
So what'll I do, do do
I'm self conscious over
You you you
Only you
You you you
Only you you

So what'll I do do do
I'm self conscious over you

What'll I do do do
I'm self conscious over you

What'll I do do do
I'm self conscious over you

Over you
