There's No Solution

Sum 41

Maybe nothin' else will ever be so clear
Or maybe thats only my fear
If just for one day I wish I could disappear
Just take me far from here
Maybe I'll find out nothin' new
Maybe I'll end up just like you
There's no solution
(No solution)
Give me truth to my conviction
Is my own confusion
(My confusion)
Reality or fiction
Am I out of my minds?
The constant pressure that keeps hangin' over me
(Hangin' over me)
It makes me feel so empty
Its more than anythin' that I could ever be
(I could ever be)
What else could you take from me?
Its gettin' harder to relate
Don't want to make the same mistake
So there's no solution
(No solution)
Give me truth to my conviction
Is my own confusion
(My confusion)
Reality or fiction
Am I out of my mind?
It took me so long to find out
Its right there in front of me
Too close to see
What I thought was true
I see right through whats killin' you
There's no solution
(I can't see)
Give me truth to my conviction
Is my own confusion
(That I feel)
Reality or fiction

Am I out of my mind?
So maybe nothin' else will ever be so clear
Or maybe that's only my fear
(Am I out of my mind?)
And just for one day I wish I could disappear
Just take me far from here
(Am I out of my mind?)
