Ooh Na Na

Donell Jones

Yo, you know, wassup?
Oh, oh, oh
You know, you got somethin' I want tonight
You ready, baby?
It's only been a day and I ain't tryna wait no more
(Ooh, na, na, na)
'Cos I'mma show you things that you never seen before
(Ooh, na, na, na)
Girl, I know a place where we can go for love
(Ooh, na, na, na)
Girl, it's right here and it's right now
And it won't be long before I lay you down, say, ooh
Your na, na, na, I want your na, na, na
'Cos I'm gon' get it, get wit it
'Cos I'm ready for that, ooh, na, na, your na, na
Baby, 'cos I want it
And when you bring it here, I'm jumpin' on it
Girl, I only end up pleasin' tonight
You ain't gotta ask for nothin'
Just as long as you can keep, you can keep it comin'
You've got it, girl, I cant wait to taste your hypnotic
Girl, I wanna make a baby tonight
You ain't gotta ask for nothin'
Just as long as you can take it, I'mma keep it comin', na
Baby, don't be scared, gonna take my time wit you
(Ooh, na, na, na)
You can saddle up, I'll do this rodeo wit you
(Ooh, na, na, na)
It ain't all about them whips, it ain't all about them cuffs
It's all about me pulling your hair, it's like I'm on that but
Girl, it's right here and it's right now and it won't be long
Before I lay you down, say oh, oh
Your na, na, na, I want your na, na, na
'Cos I'm gon' get it, get wit it
'Cos I'm ready for that, ooh, na, na, your na, na
Baby, 'cos I want it
And when you bring it here, I'm jumpin' on it
Girl, I only end up pleasin' tonight
You ain't gotta ask for nothin'

Just as long as you can keep, you can keep it comin'
You've got it, girl, I cant wait to taste your hypnotic
Girl, I wanna make a baby tonight
You ain't gotta ask for nothin'
Just as long as you can take it, I'mma keep it comin', na
There's somethin' 'bout your na, na, that crazy na, na
Make a nigger wanna pay your rent
And you know, it just don't make no damn sense
Oh, no, no, no
We got so much in common, you little mamma
Take 'em down so I can see you again
Girl, you're another like a man's best friend
And you know that
Baby, 'cos I want it
And when you bring it here, I'm jumpin' on it
Girl, I only end up pleasin' tonight
You ain't gotta ask for nothin'
Just as long as you can keep, you can keep it comin'
You've got it, girl, I cant wait to taste your hypnotic
Girl, I wanna make a baby tonight
You ain't gotta ask for nothin'
Just as long as you can take it, I'mma keep it comin', na
Baby, 'cos I want it
And when you bring it here, I'm jumpin' on it
Girl, I only end up pleasin' tonight
You ain't gotta ask for nothin'
Just as long as you can keep, you can keep it comin'
You've got it, girl, I cant wait to taste your hypnotic
Girl, I wanna make a baby tonight
You ain't gotta ask for nothin'
Just as long as you can take it, I'mma keep it comin', na
