Bad Company

Five Finger Death Punch

A company always on the run
A destiny, oh, it's the rising sun
I was born, a shotgun in my hands
Behind the gun, I'll make my final stand
Yeah, and that's why they call me
Bad company, I can't deny
Bad, bad company 'til the day I die
Until the day I die, until the day I die
Rebel souls, deserters, we've been called
Chose a gun and threw away the sword
Now these towns, will they all know our name?
The Death Punch sound is our claim to fame
And that's why they call me
Bad company, I can't deny
Bad, bad company 'til the day I die
Until the day I die, until the day I die
Until the day I die
Eye for an eye, tooth for a tooth
Blood for blood, we've all gotta die
We've all gotta die
And that's why they call me
Bad company, I won't deny
Bad, bad company 'til the day I die
Bad company, I won't deny
Bad, bad company 'til the day I die
Until the day I die, until the day I die
Until the day I die, until the day I die
