He Walks Alone

Ayenn

Verse 1

He Walks Alone on a road paved with sorrow
wondering what would happen if he took his life
He Walks Alone
like a motherless child
He Walks Alone

Bridge

All he wants to know is
does anyone really care
or should he abandon this world of despair
He Walks Alone

Chorus

He Walks Alone
with no where to go
no one sees him when he's crying
even in his heart he walks alone
with no where and no where to go
He Walks Alone
with no where to go
no one sees him when he's crying
even in his heart he walks alone
with no where and no where to go

Verse 2

In his world there's nothing to fight for
the pain inside his soul runs as deep as the ocean
He Walks Alone
like a fatherless child
He Walks Alone
Bridge
All he wants to know is
does hope still exist
or should he abandon
this world he thought was his

He Walks Alone

Chorus

He Walks Alone
with no where to go
no one sees him when he's crying
even in his heart he walks alone
with no where and no where to go
He Walks Alone
with no where to go
no one sees him when he's crying
even in his heart he walks alone
with no where and no where to go
