Sensitive Soldier

Amro El Meligy

Sensitive soldier you know me, Iâ€™m a sensitive soldier
Sensitive soldier you love me, Iâ€™m a sensitive soldier

In the morning I go fighting, Risk my life for your sake
And when I hear you crying, I come and give you my hand

But when I go back at night you find me all by myself,
And if Iâ€™m not alright youâ€™ll find me gaining my strength
Iâ€™m a guy, Iâ€™m a kid, Iâ€™m a man with a gift of heart

Sensitive soldier you know me, Iâ€™m a sensitive soldier
Sensitive soldier you love me, Iâ€™m a sensitive soldier

Ladies come and grab me, Boys come looking at me
While everybodyâ€™s safety just depends on me

But if you look in my eyes youâ€™ll find me sensitive at heart
And if you try to hurt me youâ€™ll see the monster in me
Iâ€™m a guy, Iâ€™m a kid, Iâ€™m a man with a gift of heart
