Bad News

Sleeper Agent

Oh who
Who was slain?
Who was slain by the ghost trapped in your
Frame?
Was it you?
A pale shade of bruise,
Haunting this heart I can't refuse?
Who would want to stay in love with you?
It's bad, bad news the more that I do.
Who would want to stay in love with you?
Oh who
Who's under the sheet?
Who cut two eyeholes and draped it over me?
Singing the same song
Wound in my head
Like a chainsaw
Curled up in bed
I feel the attack but never let go
Who would want to stay in love with you?
It's bad, bad news the more that I do.
Who would want to stay in love with you?
And if we're face to face
I fear I won't turn away
Don't you dare show your face
Don't you dare show yours
Singing the same song
Wound in my head
It's the same song
Repetitive
Like a chainsaw
Curled up in bed next to you
I just want to stay in love with you.
It's bad, bad news the more that I do.
I just want to stay in love with you.
