Alligator

Washington Dead Cats

Ya alligator, ya space-invader,
Ya swamp-dweller making your rounds
Ya agitator, I'll see ya later
Don't stand so close to my ground
Ya alligator, ya space-invader
Ya bottom-feeder making your rounds
Ya alligator, ya space-invader,
You start your movin'

[Chorus: x4]
Ya alligator

Start your moving,
Or get your schooling
But stop your foolin' around
Ya agitator, ya trouble-maker
Don't stand so close to my ground
Start your movin'
Or get your schooling
But stop your foolin' around
Ya alligator, ya space-invader
You better get your movin'

[Chorus: x4]

Ya alligator, ya space-invader
Ya bottom-feeder making your rounds
Ya alligator, ya space-invader
You start your movin'

[Chorus: x4]
