

# It Must Be You

Ralph Tresvant

I won't leave you standing at the alter  
I won't throw your clothes out on the street (no)  
And if you say that I don't give much  
I've tried but it's just no use  
There's nothing I can do  
If you cheated, honey believe me  
I wouldn't lose a wink of sleep  
When you touch me I feel nothing  
I don't miss you through the week  
You don't need to hear me say to you  
Another, "It's not you it's me"  
Cause that's not true  
There's nothing wrong with me  
It must be you  
When you leave, you'll leave me just the way you found me  
I won't be in pieces on the floor  
And if you tell me that we're through, well  
I wouldn't blame you at all  
Well, I'd done the same thing but I'd just call  
If you cheated, honey believe me  
I wouldn't lose a wink of sleep  
When you touch me I feel nothing  
I don't miss you through the week  
You don't need to hear me say to you  
Another, "It's not you it's me"  
Cause that's not true  
There's nothing wrong with me  
It must be you  
Give it a week, give it awhile  
Give us a cheek, give us a smile  
When you've had some time to think it over  
You will see, you'll do much better far from me  
Well, I'm just being humble  
You probably won't, but who cares  
You'll settle for anyone who's there  
If you cheated, honey believe me  
I wouldn't lose a wink of sleep  
When you touch me I feel nothing  
I don't miss you through the week

You don't need to hear me say to you  
Another, "It's not you it's me"  
If you cheated, honey believe me  
I wouldn't lose a wink of sleep  
When you touch me I feel nothing  
I don't miss you through the week  
You don't need to hear me say to you  
Another, "It's not you it's me"  
Cause that's not true  
There's nothing wrong with me  
It must be you
