

# River from the Sky

## The Weepies

Friends I had from younger days  
mostly have been washed away  
Time's a river so they say, and then you drown,  
and then you drown  
Heavy storm about to cry like a river from the sky

Life is like a waterfall and you are falling like a doll  
You never think of me at all, there isn't time,  
there isn't time  
Heavy storm about to cry like a river from the sky

Never you mind, sweet waste of time  
Truth is unkind, truth is unkind  
You were never mine sweet waste of time  
Truth is unkind, truth is unkind

Is there a river in the sky?  
An ocean just behind your eyes?  
Every night I say goodbye to you again, to you again  
Heavy storm about to cry like a river from the sky
