Givin' Up

DJ MAARS

I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searchin, searchin, searchin to find
Finally found the one, it's you
It turns me on when I wake up
Your wearing my shirt no make up
Your singing real loud when we make love, Wooooooohooo!
The only one I tell all my problems, one smile, no words, ya solve em'
Oh how your body sings, Wooooooohooo!
No matter what you say, you always sound sexy to me
That's when you know oh oh oh oh
You know oh oh oh oh
When your skin touches mine
I just wanna love you all night
That's when you know oh oh oh oh
You know oh oh oh oh
Oh nothing (Oh Nothing)
Nothing else matters to me
Oh no one (Oh no one)
No one makes me feel this way
I've been searchin, searchin, searchin to find
Finally found the one it's you
I've been searchin, searchin, searchin to find
Finally found the one, I'm through
I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searchin, searchin, searchin to find
Finally found the one, It's you
I love it when you wanna put my chain on
Playing in bed throw the game on
Not watching for long here's the same song, Wooooooohooo!
Oh how you whisper, you got me
Then you kiss every inch of my body
You're touching every tattoo, like Wooooooohooo!
No matter what you say, you always sound sexy to me
That's when you know oh oh oh oh
You know oh oh oh oh
When your skin touches mine, I just wanna love you all night

That's when you know oh oh oh oh

You know oh oh oh oh
Oh nothing (Oh nothing)
Nothing else matters to me
Oh no one (Oh no one)
No one makes me feel this way
(Cuz I, cuz I)
I've been searchin, searchin, searchin to find
Finally found the one it's you
I've been searchin, searchin, searchin to find
Finally found the one, I'm through
I'm givin' up all those games, all my time
Tell the world you're mine
Like, like, Wooooooohooo!
Like, like, Wooooooohooo!
I'm givin' up all these girls, players life
Tell the world you're mine
Like, like, Wooooooohooo!
Like, like, Wooooooohooo!
Oh nothin (Oh nothin)
Nothin else matters to me
Oh no one (Oh no one)
No one makes me feel this way
I've been searchin, searchin, searchin to find
Finally found the one, it's you
I've been searchin, searchin, searchin to find
Finally found the one, I'm through
Oh nothin (Oh nothin)
Nothin else matters to me
Oh no one (Oh no one)
No one makes me feel this way
I've been searchin, searchin, searchin to find
Finally found the one, it's you
I've been searchin, searchin, searchin to find
Finally found the one, I'm through
I'm givin' up yeah [Oh Yeah, Oh Yeah, Oh Yeah]
I'm givin' up yeah [Oh Yeah, Oh Yeah, Oh Yeah]
I'm givin' up searchin, searchin, searchin to find
Finally found the one, it's you
Finally found The One, it's you
