Amazing Grace

Connie Smith

Amazing grace how sweet the sound that saved a wretch like me
I once was lost, oh, but now I'm found, I was blind, but now I seeIt was grace that taught my heart to fear and grace my fears relived
How precious did that grace appear the hours, I first believedThrough many dangers toils and snares I have already come
This grace that has brought me sake the spar and grace will lead me onNow when we've been there ten thousand years bright shining as the sun
We've no less days to sing God's praise that when we first begun
