Kpafuca

Keziah Jones

Kpafuca" is the quality of your sense
of "Kpafucality"
When you've been "Kpafu-Colonised"

"Kpafucality" is the principle of mind
When you've been "Kpafu-Cologizing"
You can even take some Kpafu-Caine to
make it more "Kapafucacious"
You can even take some Kpafu-Caine to
make it more "Kapafucacious"

"Kpafuca" or "Kpafuco" gives you total
"Kpafucation"
"Kpafuca" is your "coun-ti-ree" and your
"Coun-ti-rees-eco-no-mee"
When you've been "Kpafu-organised"

"Kpafucality"
It's so simple to define it
Just find a place (E.G. : Nigeria) and
"kpafucize" it
You can even take some "Kpafu-Caine" to
make it more "Kapafucacious"
Or some Kpafu-Caiamine to make it more
"Kapafucacious
