Abc123

Melanie B

Yo, let me take you to the next level
Let your mind be free
Let your mind be free
If you wanna get with me
Simple as 123
Talkin bout ABC
Like it real nasty
If you wanna play with me
Oh boy, don't waste my time
You can keep me un-retained
But I don't think you can take the pain
And all the things that I put you through
It just drove you crazy
Cos I'm so crazy
You took control and set me free (set me free)
Between the flame of you and me (you and me)
And even though I had it all (had it all)
I still reached out for more
Let your mind be free
If you wanna get with me (get with me)
Simple as 123
Talkin bout ABC (ABC)
Like it real nasty
If you wanna play with me (play with me)
Oh boy, don't waste my time
I like your way without knowin how
But there's some things that still get me down
Same old way of making love
It's not quite enough
I need some more
You took control and set me free (set me free)
Between the flame of you and me (you and me)
And even though I had it all (had it all)
I still reached out for more

Let your mind be free
If you wanna get with me (if you wanna get with me)
Simple as 123
Talkin bout ABC (talkin bout ABC)

Like it real nasty
If you wanna play with me (if you wanna play with me)
Oh boy, don't waste my time
- rap -
Let your mind be free, yeah
Let your mind be free
If you wanna get with me
Simple as 123 (123)
Talkin bout ABC (ABC)
Like it real nasty
If you wanna play with me (if you wanna play with me)
Oh boy, don't waste my time
Let your mind be free
If you wanna get with me (get with me)
Simple as 123
Talkin bout ABC (ABC)
Like it real nasty
If you wanna play with me (play with me)
Oh boy, don't waste my time
Let your mind be free
If you wanna get with me (if you wanna get with me)
Simple as 123
Talkin bout ABC (talkin bout ABC)
Like it real nasty
If you wanna play with me (if you wanna play with me)
Oh boy, don't waste my time
Let your mind be free
If you wanna get with me
Oh boy, don't waste my time
