Go Fish

Ten Commandment Boogie(The ten commandment boogie) 1-2-3-4 (the ten commandment boogie)-5-6-7-8-9-10- whooIt's the ten commandment boogie, gonna dance until I die
Ten commandment boogie, you can do so it so can I
If you follow it through, you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie, the boogie, the ten commandment boogieNumber one - no other God but the One who is true
Don't worship any other, that's commandment two.
Number three- use the name of God only with respect
Number Four - on Sunday take a rest
We're half way through with one that's just for you - Listen to your mom and dad 'cause what they say you gotta doIt's the ten commandment boogie, gonna dance until I die
Ten commandment boogie, you can do it so can I
If you follow it through, you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie, the boogie, the ten commandment boogieNumber six don't ever take somebody's life
Seven feels like heaven but only with your husband or wife
Number eight is great along with number nine - don't steal from others and don't ever lie
And if your friend has something that you think is cool don't ever wish that it was yours and that's the final ruleIn the ten commandment boogie, gonna dance until I die
Tell everybody - you can do it so can I
If you follow it through, you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie, the boogie, the ten commandment boogieDo the boogie, the boogie, the ten commandment boogie (I wanna see you do the boogie)
Do the boogie, the boogie, the ten commandment boogie
It's the boogie, the boogie, the ten commandment boogieSome people say that I'm old fashioned for believing in God's rules
They're just fools (they're just fools)
But the B-I-B-L-E, yeah that's the book for me
And it's full of unbelievable toolsJust like the ten commandment boogie, gonna dance until I die
Ten commandment boogie, you can do it so can I
If you follow it through, you'll be amazed what you can do
So get your groove on with us tonight we'll do the ten commandment boogie,
Ten commandment boogie, gonna dance until I die
Ten commandment boogie, you can do it so can I
If you follow it through, you'll be amazed what you can do
So get your groove on with us tonight

We'll do the ten commandment boogie, the boogie, the ten commandment boogie
