Sloth

Allcoy

Now Iâ€™m without you and I just canâ€™t hide it
And youâ€™ll never know anything that I feel inside
You know I still love you, but I stay divided
'Cause I always hated your suicide

I guess youâ€™ll never bother
Looking back
Call me up to say your last goodbye

Did you think that I could just let you go?
I wish I couldâ€™ve said the words still
To save you

Now Iâ€™m without you and I just canâ€™t hide it
And youâ€™ll never know anything that I feel inside
You know I still love you, but I stay divided
'Cause I always hated your suicide

How could you leave us behind?
I was only a boy
And you made mother cry
So I bury my grief far below, deep inside
What else could I do?
Youâ€™re gone and itâ€™s true
We saved your life, cuts like a knife

Itâ€™s always hard to leave the past behind
I hope someday Iâ€™ll get the chance to, to tell you

Now Iâ€™m without you and I just canâ€™t hide it
And youâ€™ll never know anything that I feel inside
You know I still love you, but I stay divided
'Cause I always hated your suicide
I always hated your suicide
