2 Kool 4 Skool

The Salads

Now summers gone,
Back to school,
Rather be chillin by the swimming pool.
Really wish I didn't have to go again,
Momma gets pissed if I don't attend.
Enter the house with a locker full of books,
Dirty gym clothes, pictures that I took
One is of this girl of mine,
Super fine thinks that I'm:Too cool for school
Fuck that shit I ain't going
Too cool for school
What we need is another vacation
Too cool for school yeah,
I don't want to go today
Let's break the rules yeah,
Don't need that fucking A
Too cool for school yeah,
I don't want to go today
Let's break the rules yeah,
Don't need that fucking A.Don't want to go to class today,
The teacher won't listen to a word I say.
Just keep on giving me more homework,
Throw me in the ditch and then call me a squirt.
But not today, it's too nice outside,
I'm taking my skateboard for a ride,
Gonna check the chicks at the candy shop,
Don't get hassled by the cops.
Now we're gonna jam at Davey's place,
Dusty on the drums, and Chuck on the bass.
If you see on the top of rock someday,
It's all because we had to stop and say:Too cool for school
Fuck that shit I ain't going
Too cool for school
What we need is another vacation
Too cool for school yeah,
I don't want to go today
Let's break the rules yeah,
Don't need that fucking A
Too cool for school yeah,

I don't want to go today
Let's break the rules yeah,
Don't need that fucking A.I started a food fight in the cafeteria,
Flying sloppy joes and cheese with bacteria.
Run out of air, with the chili and tea,
With hands in the air making everyone scream.
Somebody had to go ring the alarm,
Under the bridge doing nothing wrong.
I'm doing my homework later tonight,
'cause we're going to a party and I'm feeling alrightToo cool for school
Fuck that shit I ain't going
Too cool for school
What we need is another vacation
Too cool for school yeah,
I don't want to go today
Let's break the rules yeah,
Don't need that fucking A
Too cool for school yeah,
I don't want to go today
Let's break the rules yeah,
Don't need that fucking A.
