Girls Night Out

Hailey Verhaalen

V1-
Well me and the girls goin' out tonight
Might get a little drunk and get in a fight, yea
I wanna do something kinda risky
Maybe I can get a bad boy to miss me

Red lips, red hair
If you donâ€™t like that what do I care
Cause I got all I need
Standing right here beside me

Itâ€™s a girls night out, a girls night out yea

V2-
We walk in the bar through the double doors
People starinâ€™ like theyâ€™ve never seen this before
Daisy dukes, cowboy boots
Three pretty little girls gonna turn one loose

Its about to get loud
Were two drinks in no stoppinâ€™ us now
I look up, what do I see
Mister tall dark and handsome laid his eyes on me

Itâ€™s a girls night out, girls night out yea

Chorus:
Straight shootinâ€™ dancinâ€™ queens
Double fistinâ€™ little rebels, weâ€™re the life of the party
Not leavinâ€™ till they throw us out, not a care in the world
On this girls night out

V3-
We bat our eyes, and fix our hair
Put a smile on, and our hands in the air
Itâ€™s a dark and dangerous mixture

Three single girls smilinâ€™ for a picture

Get our drinks for free
Thank you boys that coke and whiskeys for me
Weâ€™re all on top of our games
Thereâ€™s no way this place will forget our names

Itâ€™s a girls night out, girls night out yea

Chorus:
Straight shootinâ€™ dancinâ€™ queens
Double fistinâ€™ little rebels, weâ€™re the life of the party
Not leavinâ€™ till they throw us out, not a care in the world
On this girls night out
Girls night out

Bridge:
Well curse the men who done us wrong
Itâ€™d take a fool to leave us all alone
Curse the men who done us wrong
Itâ€™d take a fool

Chorus:
Cause weâ€™re
Straight shootinâ€™ dancinâ€™ queens
Double fistinâ€™ little rebels, weâ€™re the life of the party
Weâ€™re not leavinâ€™ till they throw us out, not a care in the world on this girls night out
Straight shootinâ€™ dancinâ€™ queens
Double fistinâ€™ little rebels, weâ€™re the life of the party
Not leavinâ€™ till they throw us out, not a care in the world
On this girls night out
girls night out
It's a girls night out
