Love

Rome Fortune

Love, love, love
All this Love
Love, love, love
Showing you love
Love, love, love, Baby that's love
Love, love, Love, I'm showing you love
I just imagined like really imagined if there could be a greater gift
I'm like actually, it's not actually a, damn thing I'd ever miss
Like your first steps or your birthday, actually I missed them both
But you gotta understand, you must understand, my back was against the ropes
Scapping dollars up on the road, sending money home for your school
Paying for flights, hotels each night to provide for you
This rapping shit tough aside
I ain't rich and that's on God
On my home page of my phone is you both, just to keep it going hard!
Because I wanna end it all sometimes
My career and even ending my life
Yeah I wanna end it all sometimes
I could never when I look in your eyes and see yourx2Lets fly awayyyy
Lets fly awayyyy
Lets fly awayyyy
x2I'm thankful what you do to me
I'm thankful, I'm thankful what you do to me
I'm thankful what you do to me
I'm thankful, I'm thankful what you do to me
That's love love love love love love
That's Loveeeee!
