The Only One

Parachute

Woke up from a dream
I saw you crying
Nothing I could do
And no use trying
Porcelain from the table
Is shattered on the floor
Once it left the station
Oh it can't stop anymoreStanding by the bedroom door
Staring at an empty face
I can see it in your eyes
Some things you can never change
Nothing else that I can do
While I'm waiting for the end to come
I know youre gonna walk away
But you should know that you're the only one
You're the only oneCame in from a cold
That cut like diamonds
Paint on every wall
But still I find them
Footprints on the floorboards
Lipstick on the sheets
Tell myself they faded
Don't we all just a little bit?Standing by the bedroom door
Staring at an empty face
I can see it in your eyes
Some things you can never change
Nothing else that I can do
While I'm waiting for the end to come
I know youre gonna walk away
But you should know that you're the only one
You're the only one
