Upside Down

6CycleMind

I've been spending some time
Thinking I'd be alright
Don't know if I could
Really make it tonightLie awake in the dark
Come down then I start
Thinking about you
Is almost breaking my heartI don't know where I went wrong
Or what's going on
Baby, I feel like
Our love's lost tonightShould I stay, should I go
Well, I really don't know
Lately, I've been missing you so[Refrain]
Baby, you don't understand
Our love lies lost
But you're still
Holding my handOh and then you walk away
Just tonight
I want you to stay[Chorus]
You're turning me on
You turn me around
You turn my whole world
Upside down
(repeat twice)Everytime I hurt you
Well, it's hurting me too
Don't know if
I could really stay here tonightTired of thinking of you
And everything that you do
Tell me what am I supposed to do
Well, I just wanted to say that
I need you today
Tell me it's all gonna work out alrightI dont know where I should start
But, with all of my heart
Baby let me
Be your lover tonight[Repeat Refrain][Repeat Chorus twice]
