

# Upside Down

## 6CycleMind

I've been spending some time  
Thinking I'd be alright  
Don't know if I could  
Really make it tonightLie awake in the dark  
Come down then I start  
Thinking about you  
Is almost breaking my heartI don't know where I went wrong  
Or what's going on  
Baby, I feel like  
Our love's lost tonightShould I stay, should I go  
Well, I really don't know  
Lately, I've been missing you so[Refrain]  
Baby, you don't understand  
Our love lies lost  
But you're still  
Holding my handOh and then you walk away  
Just tonight  
I want you to stay[Chorus]  
You're turning me on  
You turn me around  
You turn my whole world  
Upside down  
(repeat twice)Everytime I hurt you  
Well, it's hurting me too  
Don't know if  
I could really stay here tonightTired of thinking of you  
And everything that you do  
Tell me what am I supposed to do  
Well, I just wanted to say that  
I need you today  
Tell me it's all gonna work out alrightI dont know where I should start  
But, with all of my heart  
Baby let me  
Be your lover tonight[Repeat Refrain][Repeat Chorus twice]
