Hey Stranger

Mandolin Orange

Hey stranger, there's danger down the line
You'll find heartache and trouble, in all your good times
Rowdy ways tell you no lies
There's no burden greater in lifeSoon as you pick yourself up just to say
Hey to your loved ones who all turn away
Don't go livin' with trouble in mind
There's no burden greater in lifeHey stranger, if ever you decide
Given into the bottom to ease your worried mind
Heavy heart, you'll see in time
There's no burden greater in lifeSoon as you pick yourself up just to go
Home to your loved ones to find a locked door
Don't go makin' mistakes like mine
There's no burden greater in life
Don't go livin' with trouble in mind
There's no burden greater in life
