First

I-Sound

If someone should ask you then say
That he fell away
From what he wanted at first
From what he wanted at first
From what he wanted
If someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wanted
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
He won't come out and play music anymore
If someone should ask you then say
That she fell away
From what she wanted at first
From what she wanted at first
From what she wanted
If someone should ask you then say
That they fell away
From what they wanted at first
From what they wanted at first
From what they wanted
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, I tried I couldn't kick it
If someone should ask you then say
He sleeps all day

That he feels he's gone, son
And always will be betrayed
Betrayed
Betrayed
Betrayed
Betrayed
As he fell away, as she fell away
As he fell away, as she fell away
As he fell away, as she fell away
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick it, no
Try, tried I couldn't kick
As she
As she
As she
