Dream Lover

Jason Donovan

Every night I hope in pray a dream lover will come my way
A girl to hold in my arms and know the magic of her charms
Because I want a girl to call my own
I want a dream lover so I won't have to dream aloneDream lover where are you with the love oh so true
And the hands that I can hold to feel you near as I grow old
Because I want a girl to call my own
I want a dream lover so I won't have to dream aloneSome day I don't know how I hope she'll hear my plea
Some way I don't know how she'll bring her love to me
Dream lover until then I'll go to sleep and dream again
That's the only thing to do till all my love dreams come true
Because I want a girl to call my own
I want a dream lover so I won't have to dream aloneDream lover until then I'll go to sleep and dream again
That's the only thing to do till all my love dreams come true
Because I want a girl to call my own
I want a dream lover so I won't have to dream alone
Please don't make me dream alone
I don't wanna dream alone
I don't wanna dream alone
I don't wanna dream alone
