You Remain

Brandon Grissom

Verse1:
I fix my eyes on You
I fix my eyes on You
The one true light
That overcomes the night
I fix my eyes on You

Chorus:
Your life is the light of all people
You shine the darkness away
Though the world is wounded and broken
Jesus You remain

Verse2:
I give my life to You
I give my life to You
The son of man
With nailed scarred hands

Chorus:
Your life is the light of all people
You shine the darkness away
Though the world is wounded and broken
Jesus You remain, Jesus You remain, Jesus You remain

Bridge:
As I remain in You
You remain in me
