

I Can't Speak

La Luz

I, I saw you walkin round the scene
at night
rollin around the parties
what did you think you'd find?
not me
ooo
I can't speak
yeah yeah yeah
I'm just a creeper
watching
and wishing
it's?What did you think you'd find?
not me
out on the scene
yeah yeah yeah yeah
oooo
out on the sea
yeah yeah yeah yeah
oooo
Some day I know you'll find your way
over to me
yeah yeah yeah yeah
oooo
out of the scene
yeah yeah yeah yeah
oooo
out of the scene
yeah yeah yeah yeah
oooo
