Dreadlock Pussy

(Laughing at you)I try to do what's expected
I try to do always apologetic
Making excuses for myself
Even when I'm in the clear
I didn't expect to find myself here
Again[chorus]
And when I'm made
And when I'm your chocolate whore
And when I need life like before
And when I'm made,
And when I'm your whore (YOUR WHORE)
Give out to me someMORE!!!!
I DON'T BELIEF IT AND I CAN'T
WON'T ACCEPT THAT I FAILED
And after all I've done for you
Ungrateful brat!I tried to do what's effective
I tried to do always I will regret
I can't say hold you dear
Without lying to myself
But together we must sell
Ourselves[chorus]THIS IS FOR YOU
HERE'S THE TRUTH
You don't deserve me or my fucking kindness
YOU SWALLOW IDIOT
And to think I gave you what I needed
I HOPE YOU CHOKE IN IT[CHORUS]
more...(laughing at you)But what's the use
If nothing I say gets through to you?
What's the use?
Nothing will do...
