Rooftop

Zara Larsson

We could be soulmates
we could be so great
we could be happy
one day some dayor in a whole 'nother lifetime
said the first time that we locked eyes
that shit was crazy
and the second time just blew my mind
that shit was crazy
lately I don't know what I'm supposed to do
'cause I got someone and baby so do youit was the third of Septemeber
we were hanging up on the roof
was a hot hot night
we were having a barbeque
and I said hi
you said hi
baby thats when I knew
I just I just ca-can't take my mind off youit was a night to remember
we were hanging up on the roof
someone got knocked out
and in came the boys in blue
and you said bye
I said bye
some of that made the news
I just I just ca-can't take my mind off youone night on the rooftop, rooftop
one night on the rooftop, rooftop
on sight at the rooftop
at the rooftop, rooftopthen the rain came
something caught flame
and it was crazy
yeah there were sirens and fire men
that shit was crazy
baby rushing down the stairs I see you go
it was the saddest thing that I will ever knowit was the third of Septemeber
we were hanging up on the roof
was a hot hot night
we were having a barbeque
and I said hi
you said hi
baby that's when I knew

I just I just ca-can't take my mind off youit was a night to remember
we were hanging up on the roof
someone got knocked out
and in came the boys in blue
and you said bye
'I said bye
some of that made the news
I just I just ca-can't take my mind off youone night on the rooftop, rooftop
one night on the rooftop, rooftop
on sight at the rooftop
at the rooftop, rooftop
sparks fly on the rooftop
friends fighting on the rooftop, rooftop
bright lights on the rooftop
at the rooftop, rooftopWe could be soulmate's
we could be so great
we could be happy
one day some dayit was the third of Septemeber
we were hanging up on the roof
was a hot hot night
we were having a barbeque
and I said hi
you said hi
baby thats when I knew
I just I just ca-can't take my mind off youit was a night to remember
we were hanging up on the roof
someone got knocked out
and in came the boys in blue
and you said bye
I said bye
some of that made the news
I just I just ca-can't take my mind off you
