Georgia

Tyler Carter

Baby love, don't leave
Walked in the door, but he's all coked out
Lights down low and the music's loud
The radio's on, he's tweaking out
Cause he doubled the dose two months ago,
But she just found out
Even when Iâ€™m dreaming I can hear her screaming
She said that she's leaving, baby love don't leave
But I know she'll leave
In the middle of the night, she'll leave
By the morning light, she'll leave

â€œIn the morning I stole the love from ya,â€• she said
In the morning Iâ€™ll be on my way to Georgia
Oh like a thief in the night, you've taken what's mine
Now it's cold by my side, it's cold by my side because
In the morning you'll be on your way to Georgia
Stole the love right from ya

Everything we had is faded, love
The memories ain't good enough
To take my mind off what we lost,
So I'm stuck here sipping these codeine cups

I feel like Iâ€™m dreaming,
But I still can't find the meaning
Itâ€™s like Iâ€™m barely breathing
And Iâ€™m begging you to stay

Youâ€™ve taken the love
Youâ€™ve taken the love that I crave
Youâ€™ve taken the love
Youâ€™ve taken the love that I crave from me
