

# When You Close Your Eyes

## Night Ranger

What do you do, when it's fallin' apart?  
And you knew it was gone, from the very start  
Do you close your eyes and dream about me? A girl in love, with a gleam in her eye  
I was a younger boy, all dressed in white  
We're older now, I bet you still think about me I remember we learned about love  
In the back of a Chevrolet  
Well, it felt so good to be young  
Feels like yesterday When you close your eyes  
Do you dream about me  
When you close your eyes  
Do you dream about me  
Do you still dream about me I guess I don't know what I'm thinkin'  
Comin' off a hard night of drinkin'  
Angie come closer to me  
I need a soul to bleed on It could'a been done, in a different kinda way  
But that ain't you, you play tough when you play  
It's over now, I bet you still think about me I remember I held you so tight  
And we danced the night away  
With the moves of two wide eyed kids  
I need you so much today When you close your eyes  
Do you dream about me  
When you close your eyes  
Do you dream about me When you close your eyes  
Do you dream about me  
When you close your eyes  
Do you dream about me I remember we learned about love  
In the back of a Chevrolet  
No good for an old memory  
To mean so much today When you close your eyes  
Do you dream about me  
When you close your eyes  
Do you dream about me When you close your eyes  
Do you dream about me  
When you close your eyes  
Do you dream about me When you close your eyes  
Do you dream about me  
When you go to sleep at night  
Do you dream about me When you close your eyes  
Do you dream, dream about me

When you close your big brown eyes  
Do you dream about me
