Mr. Saturday Night

Robyn Ludwick & Bill Chambers

Mister Saturday night
I came in here lookin' for a fight
Last thing I need is a man tonight
First think I need is a whiskey

If my body donâ€™t get what my poor heart's saying
Mister Saturday night
Is playing away
Down on luck and love
Thereâ€™s no better time to try
Just a Saturday night

He ainâ€™t leaving baby when itâ€™s over
He ainâ€™t leaving here with nothin' at all
Mister Saturday nightâ€™s gonna be there
When the crown of the angels fall
You can beat him if you think youâ€™re able
Or leave it hanginâ€™ there on the wall
Mister Saturday night
Make it alright
Again and again and again

Well I found a place
At a bar I used to drink sometimes
To keep me from going out of my mind
Tonight I just need you

If youâ€™re eyes are sayinâ€™ what my head keeps thinkinâ€™
There ainâ€™t no need for us to stay here drinkin'
If youâ€™re down on luck and love
No better time to try
Just a Saturday Night

He ainâ€™t leaving baby when itâ€™s over
He ainâ€™t leavinâ€™ here with nothinâ€™ at all
Mister Saturday nightâ€™s gonna be there
When the crown of the angels fall
And beat him if you think youâ€™re able
Or leave it hanginâ€™ there on the wall
Mister Saturday night

Make it alright
Again and again and again

I been throwinâ€™ horseshoes over my left shoulder
Mister Saturday night
Heâ€™s cominâ€™ over
Well he takes my hand
Tells me itâ€™ll be alright
And that I didnâ€™t get this pretty
To be alone tonight

He ainâ€™t leaving baby when itâ€™s over
He ainâ€™t leaving here with nothin' at all
Mister Saturday nightâ€™s gonna be there
When the crown of the angels fall
You can beat him
If you think youâ€™re able
Or leave it hanginâ€™ there on the wall
Just a Saturday night
Make it alright
Again and again and again
