They say he is lonely
They ain?t got big homie
Straight from inter scope
Not all know me
Only reason he succeeded was reverse in
Maybe he was . by duck beat .
They say he is lonely
They ain?t got big homie
Straight from inter scope

Not all know me
Only reason he succeeded was reverse in
Maybe he was . by duck beat .stealing my DNA
. but I don?t give a fuck . forever a part of me
I am gonna have to go on without . highschool
Hide your IQ average man into a psyche
You know I got a big homie ?.do it for the team
It broke my heart . I know who . white is not black
. you are down for the obvious . knowledge coming up in a ?
