The Future Free

Daisy Chainsaw

All, all for the future free, so free
All, all for the future free, free, so freeFor God we stood the right
Do as we should just for you, my boyKeep you from the common ploy
Just for you my girl when I'm dead and goneFor God we stood the right
Do as we should just for you, my boyDo as it takes for all our sakes
Must save our race just for the Union JackDon't you feel so proud of that?
Just for the Stars & Stripes we'd pay the highest priceFor God we stood the right
Do as we should just for you, my boy
