The Changeling

Kiva

Uhh
GeduI live uptown
I live downtown
I live all aroundI had money and I had none
I had money and I had none
But I've never been so broke
That I couldn't leave townI'm a changeling
See me change
I'm a changeling
See me changeI'm the air you breath
Food you eat
Friends your greet
In the sullen streetSee me change
See me change, youI live uptown
I live downtown
I live all aroundI had money and I had none
I had money and I had none
But I've never been so broke
That I couldn't leave townWell, I'm the air you breath
Food you eat
Friends your greet
In the sullen streetYou gotta see me change
See me change
I'm leavin' townChange, change, change
Change, change, change
Change, change, change
Change, change, change
