I'm Not Tired

Wilson Pickett

Where you lead me, you know I'll follow, yes, I will
Whatever you tell me, ah, that's what I'll do, all right
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey, you know I'm not tired

If you make just one step, you know I'll make two, yes, I will
Just give me a chance to prove my love to you, all right
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey you know I'm not tired

All of these years I've been by your side, yes, I have
Not even once have I stopped to think about my own pride, oh no
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey you know I'm not tired
Gonna keep on lovin' you for the rest of my days, baby
Honey, I'll never never get tired
