You Only Love Me

John De Sohn

Should I close my eyes for her
Am I dreaming?
Has she stolen my deserve
What I'm feeling?
They say the city never speaks
But as far as I can see
I'm dreaming
Its the story of my life
Always sticking doing vibe
What a shameful feeling

You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord

And I walk down 37th street craving
Yeah I woke up in the morning just needing
So is it you and me
Saying the perfect common e
Keep dreaming
I'm on the other side of life
And I never get it right
I get this feeling

You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
Oh lord what a shameful feeling You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
You only love me when you're not ok
Such a shame
Oh lord
You only want when you know you can have
It's so sad
Oh lord
