NYC (on KEXP)

Interpol

I had seven faces
Thought I knew which one to wear
But I'm sick of spending these lonely nights
Training myself not to careSubway is a porno
The pavements they are a mess
I know you've supported me for a long time
Somehow I'm not impressedThe New York cares
(Got to be some more change in my life)
New York cares
(Got to be some more change in my life)New York cares
(Got to be some more change in my life)
New York cares
(Got to be some more change in my life)Subway, she is a porno
And the pavements they are a mess
I know you've supported me for a long time
Somehow I'm not impressedIt's up to me now turn on the bright lights
Oh it's up to me now turn on the bright lightsNew York cares
(Got to be some more change in my life)
New York cares
(Got to be some more change in my life)New York cares
(Got to be some more change in my life)
New York cares
(Got to be some more change in my life)It's up to me now turn on the bright lights
(Got to be some more change in my life)
(Got to be some more change in my life)
Oh, it's up to me now turn on the bright lights
(Got to be some more change in my life)
(Got to be some more change in my life)
