Someone to Love

Phyllis Hyman

Someone to love
Someday I?ll finally find the man I dreamed about
He?ll be the love that touched my heart and turned my feelings inside out
It's been so long and I grow tired of being all aloneAm I asking for too much?
All I want is someone I can touch
Why must it take so long to find someone to love?I tried to lose myself and fool myself
Hide myself in someone?s arms
I tried to make believe I had it all
But deep inside I always knew
That lovers who pretend lose out in the endNo matter how long it may take
I know the difference and I?ll wait for someone to loveOoh, someone to love
Someone to love, someone to love
Whose beauty lies within their sensitivity
I?ll walk with hope and I?ll hold on
Until the day shall come alongAm I asking for too much?
All I want is love that I can touch
Why must it take so long to find ooh, someone to love?Oh, oh, oh, somebody to love
