Smile (Just Want to Be With You)

Chris Rice

How far are You? How close am I?
I know Your words are true and I don't feel them inside
Still I believe You'll never leave
So where are You now?You're all I have, You're all I've known
Your breath is breathing in my soul
Still I am gasping, aching, asking
Where are You now?'Cause I just wanna be with You
I just want this waiting to be over
I just want to be with You
And it helps to know the day is getting closerAnd every minute takes an hour
Every inch feels like a mile
'Til I won't have to imagine
And I finally get to see You smileMy journey's here, but my heart is There
So I dream and wait, and keep the faith, while You prepare
Our destiny, 'til You come back for me
Oh, please make it soon'Cause I just wanna be with You
I just want this waiting to be over
I just wanna be with You
And it helps to know the day is getting closerAnd every minute takes an hour
Every inch feels like a mile
'Til I won't have to imagine
And I finally get to see You smileI just wanna be with You
I just want this waiting to be over
I just wanna be with You
And it helps to know the day is getting closerI just wanna be with You
I just want this waiting to be over
I just wanna be with You
And it helps to know the day is getting closerEvery minute takes an hour
Every inch feel like a mile
'Til I won't have to imagine
And I finally get to see YouEvery minute takes an hour
Every inch feels like a mile
'Til I won't have to imagine
And I finally get to see You smile
